

**Invitation for Submission of Bids for Setup and
Implementation of Solid Waste Management System at
Tehsil Municipal Administration Charsadda, Under Public
Private Partnership Modality**

Tehsil Municipal Administration (TMA) Charsadda intends to setup and implement Integrated Solid Waste Management System at Charsadda under Public Private Partnership mode (“Project”). This Project is envisaged as Integrated Solid Waste Management (SWM) solution (collection of waste and its final disposal), to be designed and operated by the private sector party while the existing related infrastructure facilities (such as the land fill site) along with other necessary assistance will be provided by TMA Charsadda/ Public Sector to the selected private sector party.

The Project area comprises of 4 Municipal Councils (MCs) of Charsadda Tehsil and Utmanzai MC; and is located within the jurisdiction of District of Charsadda. It is located 29 Km from Peshawar, total area of Charsadda MC is 1,201 Hectares and built up area is 455 Hectares. The Project area generates approximately 70 tons of waste every day while there is an estimated unregulated accumulated waste of around 30,000 to 40,000 tons lying within the Project area. The 2007 population of the Project area was estimated around 132,000 people at the inception of the project.

Infrastructure Project Development Facility (IPDF), a company established under section 42 of the Companies Ordinance 1984 under the aegis of the Ministry of Finance is assisting TMA Charsadda in structuring and implementing the Project, hereby invites the interested parties to submit their sealed Bids in accordance with the RFP which can be downloaded and accessed from website: www.ipdf.gov.pk.
